Surf Life Saving Australia (SLSA) and its member organisations comprise an organisation involving children and young people (CYP). SLSA operates across Australia and engages CYP through its programs and activities. - empowering CYP by giving them a voice and encouraging them to speak up on decisions that affect them;
- creating a fun and positive environment for CYP to be involved in; and
- paying attention to the needs of Aboriginal and Torres Strait Islander CYP, CYP with a disability, CYP who identify as LGBTIQ and CYP from culturally and linguistically diverse backgrounds.

SLSA's Board endorses this commitment to keeping CYP safe from abuse and neglect.

All people within SLS, regardless of role or level of responsibility, must act to keep CYP safe from such harm. They do this by adopting the practices and behaviour SLS has set as its standard when carrying out their roles, and reporting any concerning behaviours or reasonable belief of abuse or neglect of which they become aware to a Person in Position of Authority and/or to external authorities responsible for child protection or to Police, regardless of whether that abuse is being perpetrated by volunteers or employees within SLS, or by those outside SLS including those from the CYP's family, extended family, their family's extended network or strangers.
