6. VOLUNTEER REQUIREMENTS

6.1 Officials

A quota system for clubs to provide Accredited Officials based upon the number of competitors entered (not the number actually competing) is in place for the 2024 NSW Masters Championships. Online late entries will be added to the total number of competitors entered to ensure that the club's obligation is satisfied.

The Officials quota remains for the 2024 Championships and supersedes any prior versions of the Officials quota from previous years. Officials, as a minimum requirement, must have a current Core Official accreditation.

Masters Championships Quota

Competitors Entered	Officials Required
1 to 4	-
5 to 10	1 Official
11 to 15	2 Officials
16 to 40	3 Officials
41 to 50	4 Officials
51+	5 Officials

Officials who wish to share a role with someone else MUST communicate this to SLSNSW. Two (2) officials sharing one (1) role fulfils one (1) official in the quota (the quota is based on attendance on the Wednesday and Thursday).

Please be aware the quota system is based on the number of competitors entered into the event, not the number of competitors starting. Clubs are reminded before entering their competitors into the entry system that they MUST meet the officials' quota.

If sufficient officials are not provided by clubs according to the provided quotas, SLSNSW will stand down all athletes from that club from competition until such time as the required officials are present.

Officials undertaking duties to meet club's quotas, who have not already been appointed, will be requested to report to the Deputy Referee at Queenscliff SLSC by 7:00am each morning of competition. Procedure for this to be confirmed.

It is essential that clubs work with their officials to ensure that they (the Officials) understand the effect on the Championships if they do not communicate with SLSNSW regarding non-attendance or changes to the Official's Appointments. Clubs should check that officials appointed are attending on the days that they are appointed for, as this could have a significant impact on whether athletes can compete or not.

6.2 Powercraft

To ensure the safety of all competitors competing in the 2024 NSW Surf Life Saving Masters Championships, a Powercraft roster will be implemented. Clubs will be identified based on the total number of entries for the 2024 Championships.

Powercraft Drivers/Operators and crewpersons **must** fulfil the following requirements.

- **IRB Driver:** Be a current financial SLS member and be a proficient Silver Medallion IRB Driver.
- **IRB Crewperson:** Be a current financial SLS member, be a proficient IRB Crew Certificate.
- **RWC Operator:** Be a current financial SLS member and hold a proficient RWC Operator Certificate.
- **Both IRB and RWC:** Be experienced in ALL levels of surf conditions and competent to deal in all surf conditions.

As the Powercraft requirements will be based on figures calculated after entries close for the 2024 event, the **Powercraft Roster will not be prepared until after normal entries close on Wednesday 31st January 2024.**

PROUDLY PRESENTED BY

Your local club

Clubs will be required to nominate volunteer names and contact information for IRB Drivers and Crew personnel via the Powercraft Form which will be available during the week commencing **5th February 2024**. All IRB Drivers and Crew personnel must also bring with them their current SLSNSW Powercraft licence, personal compliant PFD, helmet, and appropriate clothing.

Clubs that fail to meet their rostered requirements: SLSNSW will stand down all athletes from that club from competition until such time as the required powercraft personnel are present AND undertaking their required shift.

Some Clubs may also be required to bring IRB equipment to the Championships. All IRBs supplied must be registered with SLSNSW, have passed the 2023/24 Gear and Equipment Inspection process, and be entered on SurfGuard.

6.3 First Aid

All first aid will be provided by SLSNSW's Australian Event Safety Services (AESS). This means there is no requirement on clubs to supply any volunteers for these roles.

7. ELIGIBILITY TO COMPETE

For clubs to be eligible for Championship Competition, clubs must have their Life Saving Agreement (LSA) in place for competitors to represent that club.

Participants must meet SLSNSW award, patrol, and proficiency requirements as per the 2023/24 proficiency competition requirements and any other subsequent bulletins issued.

Reference is made to the following documents which apply to this event:

- SLSA Policy 1.02 – Use of SLSA Equipment
- [Memo: 5.04 Eligibility to Compete and Exemptions 2023](#)
- [SLSNSW Regulations 5. Competition Eligibility and Exemption](#)

Late proficiency exemptions are required to be endorsed by both Club and Branch (on letter head) before being received by SLSNSW. This can be sent to statechampionships@surflifesaving.com.au and will be forwarded to the State Director of Lifesaving for consideration. Any late proficiency exemptions should be received no later than **Sunday 18th February 2024**.

8. ENTRY FEES

The entry fee per competitor at the 2024 NSW State Masters Championships is **\$67.26** (incl. GST).

SLSNSW will issue invoices to all Clubs after the Championships. Clubs must not pay their entry fees prior to the Championships. Payment terms are as stated on the invoice.

SLSNSW reserves the right to alter event competitor eligibility & attendance and spectator & official attendance should any Public Health Orders in force during the event place limits on the number of attendees and/or the vaccination status of attendees.

The welfare of all competitors is of paramount importance and athletes or their parent / guardian in the case of underage competitors should seek advice prior to the competition from a qualified professional for any health concerns if required.

Any competitor or official who suffers illness or injury prior to or at the 2024 State Championships **MUST** seek medical clearance before resuming their normal activities which includes training and competition.

In addition, SLSNSW may, at its sole discretion, require a competitor and/or official to be assessed for physical and/or psychological fitness to participate in the competition. This ensures the safety and wellbeing of the athlete concerned and fellow competitors while also ensuring all parties and Surf Life Saving NSW are not placed at risk.

17. ANTI-DOPING & MATCH FIXING

It is strongly recommended that all Team Managers complete both the [Sport Integrity Australia](#) Level 1 Anti-Doping and Match Fixing e-learning courses. Both courses are free of charge and provide an opportunity to develop a knowledge and understanding of anti-doping and match fixing in sport. Moving forward, SLSNSW strongly believe this is a great addition to the structure of any touring team and/or squad and is vital for elite competition and athlete development.

SLSNSW fully supports the new SLSA Anti-Doping and Match Fixing policies (SLSA Members Area > Library > Governance > SLSA > Policy 5.1.1 & 5.02). Following the completion of each course, a completion certificate/email must be forwarded to Surf Sports surfsports@surflifesaving.com.au. SLSNSW have organised with SLSA to have these courses uploaded on to SurfGuard as an award. Once completed, the courses do not have to be completed again, unless there is an update in information from the organisations. If anyone has previously completed either course, proof must be sent through to Surf Sports in order to be recognised.

For further information regarding the courses please contact Surf Sports, on (02) 9471 8000 or surfsports@surflifesaving.com.au

18. BEHAVIOUR/MISCONDUCT

Any misconduct while at the Championships will not be tolerated. This includes the days leading into competition and any official social activities following the conclusion of the Championship. Offending members risk disciplinary action against both themselves, and their Clubs.

Parents or supporters, particularly those appointed as Officials, are not allowed to assist competitors during the competition. Any breach of this policy may result in the disqualification of an athlete from the remainder of the competition and is at the discretion of the Referee.

Parents or supporters must also understand that they are role models for young athletes. Clubs should make sure that parents and supporters understand that abuse of officials, other competitors or clubs will not be tolerated. Team Managers and Club Presidents should ensure that their parents and supporters understand their role at this competition and that expected standards of behaviour are clearly explained.

Please refer to 37th Surf Sports Manual sections 2.27 SLSA Code of Behaviour and 2.28 Abuse/Inappropriate Behaviour and the Policy 6.05 – Member Protection Policy (available online at Members Area > Library > Governance > Policy > SLSA > Policy 6.05).
